

Presented to members of The  
Franklin Mint Collectors Society

AUGUST 28, 1971

---

## CERTIFICATE OF AUTHENTICITY

The Limited Edition Mini-Coin  
accompanying this certificate  
was made from a special melt of  
silver into which was placed  
10,000 grains of silver that was  
carried aboard Apollo 14 on its  
voyage around the moon.
