

## Perfect splashdown for the men from the Moon

AFTER EIGHT DAYS IN THE ISOLATION OF SPACE, AMERICA'S ASTRONAUTS MUST AWAIT A FAMILY GREETING —IN CASE OF MOON GERMS, THEY'LL SPEND 17 DAYS . . IN ISOLATION

Moon heroes Neil Armstrong, Edwin Aldrin and Michael Collins wearing their anti-germ suits, give a cheery wave as they leave the rescue helicopter and step on to the deck of an American air craft carrier at the end of their historic mission.
