

# UNITED STATES LUNAR MISSION

## APOLLO 15

JULY 26, 1971  
To  
AUGUST 7, 1971

The affixed letter X, in the box below, was made with a Silver Pencil (Serial Number SEB 12100081-301 S/N 1019), utilizing the original graphite, that was carried aboard the APOLLO 15 Mission, including landing on the Moon, and was returned to Earth at the termination of the Mission on August 7, 1971.
