(NY32-Feb.4) PROJECTING SPACEMEN'S MOON WALKS--Diagram shows moon walks which Apollo 14 astronauts Alan B. Shepard Jr. and Edgar D. Mitchell are slated to take after their lunar module lands on the moon Friday morning. Solid line is the Friday walk, broken line is the Saturday walk to Cone Crater. The dots indicate alternate part of return route if time permits. (AP Wirephoto Diagram)(pr51352nasa-ar)1971 RETRANSMISSION FOR PMS
