(MSC12)SPACE CENTER, HOUSTON, Tex. May 19--A LOOK AT EARTH--Mrs. Barbara Cernan, wife of Apollo 10 lunar module pilot, Cmdr. Eugene Cernan, looks at a color photo of earth as taken from the television screen during Sunday's live color telecast from the Apollo 10 spacecraft in the first day of flight to the moon. Mrs. Cernan was given the photo when she visited Mission Control at the Manned Spacecraft Center in Houston, Tex., today. (AP Wirephoto) (dt21630stf) 1969
